## Zusammenfassung des Berichtes

### Allgemeine Infos:

|                         |                |
|-------------------------|----------------|
| <b>Seriennummer :</b>   | LOM000D82      |
| <b>Beschreibung :</b>   | LOM16-2_000D82 |
| <b>ID :</b>             | 3458           |
| <b>Gerätetyp :</b>      | LOM162         |
| <b>Firmwareversion:</b> | 2.4.1          |
| <b>Softwareversion:</b> | 7 . 8 . 51 . 1 |

### Datenlogging

|                                       |                       |
|---------------------------------------|-----------------------|
| <b>Anfang der Datenloggingaktion:</b> | Le 15/10/2015 à 18h43 |
| <b>Ende der Datenloggingaktion:</b>   | Le 15/10/2015 à 23h49 |
| <b>Speicher:</b>                      | 53                    |
| <b>Aufnahmezeitraum:</b>              | 15 min                |
| <b>Samplingperiode</b>                | 0 sec                 |
| <b>Anwesenheitsperiode:</b>           | 4 min 12 sec          |
| <b>Übertragungsfrequenz:</b>          | 19 sec                |

### Schwellenwerte und Statistiken

| Sensor      | Unterschwelle 2 | Unterschwelle 1 | Oberschwelle 1 | Oberschwelle 2 | Records | Min   | Max   | Durchschnitt | Standardabweichung |
|-------------|-----------------|-----------------|----------------|----------------|---------|-------|-------|--------------|--------------------|
| Temperature | -               | -               | -              | -              | 53      | 19.47 | 25.62 | 24.04        | 2.17               |

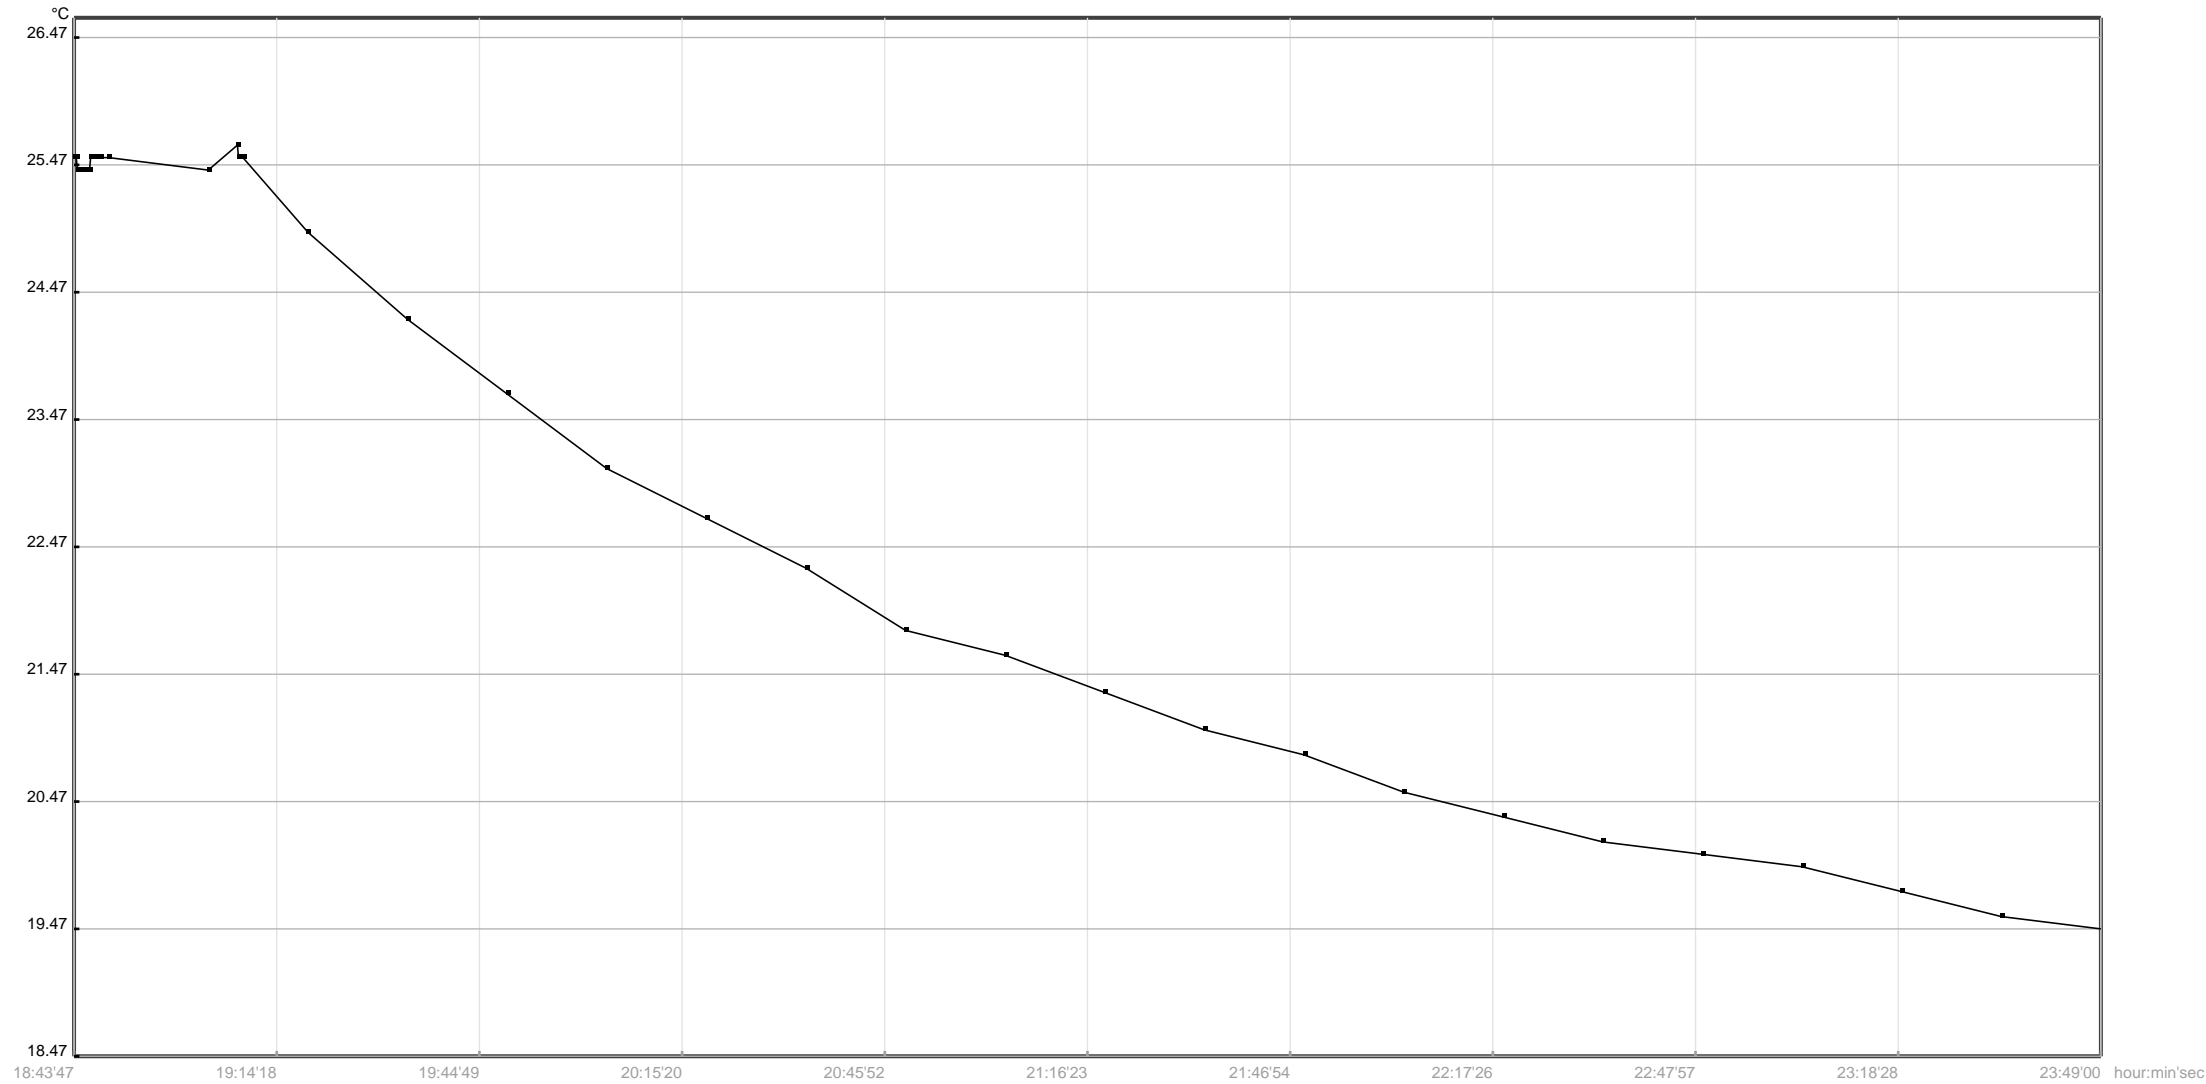

## Alarm

### Temperature

No alert for Temperature

# Graphiken

## Temperature

## Vollständige Tabellen

| Paket  | Datum      | Zeit     | Temperature |
|--------|------------|----------|-------------|
| 000001 | 15/10/2015 | 18:43:47 | 25.52°C     |
| 000002 | 15/10/2015 | 18:43:57 | 25.52°C     |
